Colorado-based **Lucky's Market** bills itself as a store that does serious work, without taking itself too seriously. It is a store dedicated to good food and its enjoyment. The stores are warm and inviting and showcase the local flavors and tastes of surrounding communities. Evoke luxury vinyl flooring adds fresh color and personality to the aisles. The floors are a welcome note of character, elevating grocery shopping into a more upscale experience while providing the durability and easy maintenance required by a high-volume retail installation.
