

METROPOLITAN

# JW Marriott Edmonton ICE District

Edmonton, Alberta, Canada

## Applications

JW Marriot Executive Lounge & Presidential Suites  
Archetype Health Club (Concierge Area & Studio)

Featuring

**KENTWOOD®**

**Brushed Oak Angora**  
Plateau Collection

**The JW Marriott Edmonton ICE District** is a 300-plus room modern luxury hotel in the heart of Edmonton's mixed-use sports and entertainment district. City visitors can unwind in the hotel's spa, catch an Edmonton Oilers game at Rogers Arena, or explore the busy ICE District downtown plaza only steps from the entrance. Those wanting to sweat in style visit Archetype Fitness Club on the fifth floor. Archetype offers yoga, HIIT, spin, and boxing classes in group studio spaces—many finished with Brushed Oak Angora from Kentwoods Plateau Collection. The same engineered hardwood flooring appears in the club's concierge area and the hotel's presidential suites. On the third and fourth floors of the hotel, Angora was customized with inlays to create unique elevator foyers.
